Notice Concerning Influence of the 2011 Off the Pacific Coast of Tohoku Earthquake

We would like to express our heartfelt sympathy to those who have fallen victim to the 2011 off the Pacific coast of Tohoku Earthquake which occurred on March 11.

Having examined all properties that MORI TRUST Sogo Reit, Inc. (MTR) owns regarding the effect of the earthquake MTR at this moment confirms that although there are some minor damages in some properties there are no major damages that affect its operation significantly. (Note)

If any other material influence etc. is confirmed later, MTR will inform thereof.

(Note) Light damages such as cracks in the interior walls and troubles on plumbing are reported in some buildings and some part of the area in Ito Yokado Shin-urayasu building site have sunk approximately 60cm at maximum because of the partial liquefaction of the surrounding area
